

BOISE COUNTY
NEW STRUCTURE / OCCUPANCY REPORT

Idaho Code Title 63 Chapter 3 provides for:

1. Taxation of new structures for that portion of the year after first occupancy;
2. The owner of the new structure to report to the County Assessor, on or before first occupancy, the fact that the structure is ready for occupancy;
3. The non-paid occupancy tax to become a lien upon the property

In order to receive a Homeowners Exemption on your occupancy taxes, a Homeowners Exemption Form must be completed and returned to the Boise County Assessors Office with this Occupancy Report. To facilitate compliance with the new law, complete the information requested and return to:
