Stewardship • Citizenship • Growth • Safety • Professionalism

We promote positive behavior change through education, restoration, and accountability.

Help us teach our youth the skills and precautions to ride a bicycle safely by supporting our

Bicycle Rodeo

May 29th and May 30th in Boise County!

OUR PROGRAM: Our 2nd annual Bicycle Rodeo is quickly approaching at the end of this month and we are still in need of some equipment. The Bicycle Rodeo is a safety and skills course for elementary aged youth. Last year we held one Bicycle Rodeo at Basin Elementary in Idaho City and this year we are expanding the program to Garden Valley Elementary.

WHO WE ARE: Boise County Community Justice oversees the diversion, probation and community service programs for youth. We are coordinating the Bicycle Rodeo as a prevention effort to provide youth with the knowledge and skills to engage in a positive and healthy activity in the community. Our event is in partnership with the Sheriff's Office and our volunteers are juvenile probation and law enforcement officers.

OUR NEED: Last year, while we had a great time and the youth enjoyed learning about bicycle safety, we were surprised at the lack of helmets and properly working bicycles the youth brought to our event. This year we were fortunate to have some gently used bicycles donated, but we are still in need of helmets.

OUR GOAL: We hope to have 20 helmets available to the youth to wear during the Bicycle Rodeo and to give them to those who do not have one.

DONATE: We would happily accept donations of new helmets and we can pick them up. We are also in need of some basic tools, tubes and a pump. Check or money order donations can be mailed to Community Justice at P.O. Box 486, Idaho City, ID 83631. Credit card donations can be made at our website, <http://www.boisecounty.us>, under the Community Justice page and scroll down until you see the DONATE HERE link.

Thank you for your time and consideration to help us promote safe riding for our youth in Boise County!
