e. The Boise County

Commissioners should now
stop asking for public
input on Planning \& Zoning and just adopt the plan.
Bottom 2 Box $(1,2)$

Top 2 Box $(4,5)$
f. Boise County should have a building code that
establishes at leas minimum standards of construction and safety. Bottom 2 Box (1,2)

Top 2 Box $(4,5)$
g. Boise County should have a single, multiple use zone which allows a mix of rural, business, and residential uses for. Bottom 2 Box $(1,2)$

Top 2 Box $(4,5)$
h. Public surveys like this one are an important way for residents to
communicate their opinions to county government.

d. To allow maximum freedom to residents, Boise County's Planning
\& Zoning Ordinance should just meet, and not exceed, the
requirements of Idaho State law.

e. The Boise County Commissioners should now stop asking for public
input on Planning \& Zoning and just adopt the plan they think is
best.

TABLE 19: 13. For each statement, please select a number on the scale that shows how much you agree or disagree with that statement.
g. Boise County should have a single, multiple use zone which
allows a mix of rural, business, and residential uses for the
entire county (similar to Valley County).

TABLE 24: 13. For each statement, please select a number on the scale that shows how much you agree or disagree with that statement.
l. Boise County should have multiple zones (i.e., agricultural,
rural, business, and residential areas) and allow different areas
to be classified as different zones (similar to Ada and Gem
Counties).

n. Idaho State laws dictate very specific and complex actions that
must be completed to legally implement impact fees; the County
should initiate and fund those actions immediately.

p. Public safety information, which is presented to the Commissioners
to obtain approval for property to be subdivided (i.e., potential
for wildfires, road conditions and limitations, potential wildlife depredation, etc.), should be recorded on public documents so that buyers will be aware of such conditions.

t. Boise County should require building inspections and increase
building permit fees to cover the costs of administering the
program.

v. Property owners who allow junk to pile up on their property
should be required to build a fence or plant vegetation so that
neighbors won't see it.

Research for Understanding the American People

TABLE 42: 13. For each statement, please select a number on the scale that
shows how much you agree or disagree with that statement.
dd. Boise County government should be proactive in economic
development and seek to attract new businesses and industry to the
county.

e. The Boise County

Commissioners should now
stop asking for public
input on Planning \& Zoning and just adopt the plan.
Bottom 2 Box (1,2)

Top 2 Box $(4,5)$
f. Boise County should have a building code that
establishes at leas minimum standards of construction and safety. Bottom 2 Box (1,2)

Top 2 Box $(4,5)$
g. Boise County should have a single, multiple use zone which allows a mix of rural, business, and residential uses for. Bottom 2 Box $(1,2)$

Top 2 Box $(4,5)$
h. Public surveys like this one are an important way for residents to
communicate their opinions to county government.

TABLE 16: 13. For each statement, please select a number on the scale that shows how much you agree or disagree with that statement
d. To allow maximum freedom to residents, Boise County's Planning
\& Zoning Ordinance should just meet, and not exceed, the
requirements of Idaho State law.

TABLE 17: 13. For each statement, please select a number on the scale that
shows how much you agree or disagree with that statement.
e. The Boise County Commissioners should now stop asking for public
input on Planning \& Zoning and just adopt the plan they think is
best.

TABLE 19: 13. For each statement, please select a number on the scale that shows how much you agree or disagree with that statement.
g. Boise County should have a single, multiple use zone which
allows a mix of rural, business, and residential uses for the
entire county (similar to Valley County).

TABLE 21: 13. For each statement, please select a number on the scale that shows how much you agree or disagree with that statement.
i. I am in favor of more government control of private land and
land uses in order to preserve the rural nature of Boise County.

TABLE 24: 13. For each statement, please select a number on the scale that shows how much you agree or disagree with that statement.
l. Boise County should have multiple zones (i.e., agricultural,
rural, business, and residential areas) and allow different areas
to be classified as different zones (similar to Ada and Gem
Counties).

TABLE 26: 13. For each statement, please select a number on the scale that
shows how much you agree or disagree with that statement.
n. Idaho State laws dictate very specific and complex actions that
must be completed to legally implement impact fees; the County
should initiate and fund those actions immediately.

TABLE 28: 13. For each statement, please select a number on the scale that shows how much you agree or disagree with that statement
p. Public safety information, which is presented to the Commissioners
to obtain approval for property to be subdivided (i.e., potential
for wildfires, road conditions and limitations, potential wildlife depredation, etc.), should be recorded on public documents so that buyers will be aware of such conditions.

TABLE 32: 13. For each statement, please select a number on the scale that shows how much you agree or disagree with that statement.
t. Boise County should require building inspections and increase
building permit fees to cover the costs of administering the
program.

TABLE 33: 13. For each statement, please select a number on the scale that shows how much you agree or disagree with that statement.
u. I don't know enough about zoning options to make an informed
decision about which type of zoning ordinance Boise County should
implement.

v. Property owners who allow junk to pile up on their property
should be required to build a fence or plant vegetation so that
neighbors won't see it.
