

RESOLUTION

Whereas, the Boise County Board of Commissioners have determined that because of the unusually heavy snow fall this winter and because the fast thawing has created unforeseen road problems on Boise County Roads; and whereas under 31-1608, of the Idaho Code, the Board of Commissioners have the authority to take necessary measures.

Now therefore be it resolved by the Boise County Board of Commissioners that a weight limit of 14,000 pounds be placed on all Boise County Roads until further notice.

Resolved and approved by the Boise County Board of Commissioners on this 22nd day of February, 1982.

J. E. Jensen, Chairman

Robert A. Fry, Commissioner

Charles Stevens, Commissioner

Arlene C. Kolar, Clerk to the Commissioners
