RESOLUTION #2000-19

A RESOLUTION ALLOWING
LIMITED AND TEMPORARY RECYCLING AND SALVAGING
AT BOISE COUNTY LANDFILL AND COLLECTION SITES

WHEREAS, the Boise County Board of Commissioners has been requested by citizens to allow recycling and salvaging of certain items from the Boise County landfill and collection sites, for personal use; and

WHEREAS, the Boise County Board of Commissioners recognize that recycling and salvaging of materials that are not in stacked piles, pits, or collection bins will help reduce the amount of material being hauled from the collection sites and buried at the landfill site; and

WHEREAS, the Boise County Board of Commissioners wishes to establish a trial period for limited and temporary recycling and salvaging of material in order to determine whether this activity proves to be safe and useful to residents of Boise County.

NOW, THEREFORE, BE IT RESOLVED, that the Boise County Board of Commissioners establishes a policy to allow limited and temporary recycling and salvaging of material from the Boise County landfill and collections sites, effective immediately and expiring on December 31, 2000.

APPROVED and ADOPTED this 14th day of August 2000.
