**RESOLUTION # 2005-03**

**A RESOLUTION APPROVING PROCUREMENT OF A PUGMILL FROM A SINGLE SOURCE VENDOR**

**WHEREAS**, the Board of Commissioners, pursuant to Idaho Code §§ 31-4003, hereby declares that the Boise County Road Dept. has the opportunity to purchase from Snake River Construction Inc. a 1979 Calenco stabilized base mixer and that it is unreasonable and impractical to competitively solicit for the purchase of a similar unit because the offered price is below market, and

**WHEREAS**, the Board of Boise County Commissioners has reason to believe that there is only one (1) vendor as a source of procurement for the 1979 Calenco stabilized base mixer and that a contract for procurement of this item will not exceed one year.

**NOW THEREFORE BE IT RESOLVED**, that Notice of a sole source procurement shall be published in the Idaho World at least 10 days prior to award of a contract to purchase the stabilized base mixer from Snake River Construction Inc. and, in the absence of a response/offer from a comparable seller, the contract with Snake River Construction Inc., to purchase its 1979 Colenco stabilized base mixer is hereby approved.

**APPROVED AND ADOPTED** by the Boise County Board of Commissioners in open session on the 29<sup>th</sup> day November of 2004.
