

RESOLUTION #93-6

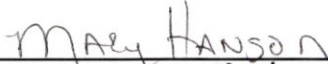

WHEREAS, local governments are required to develop an emergency response plan which incorporates a planned response to a hazardous substance emergency, and

WHEREAS, Idaho Code 39-7105 required that cities and counties designate a local emergency response authority for hazardous substance incidents which take place within their respective jurisdictions,

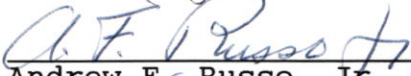

NOW THEREFORE BE IT RESOLVED, the Idaho State Police be named as the local emergency response authority for Boise County for hazardous substance incidents which take place within Boise County.

PASSED AND ADOPTED this 4th day of January, 1993.

Board of Commissioners

Mary Hanson, Chairman

Andrew F. Russo, Jr., Commissioner
