

RESOLUTION NO. 97-5

BOISE COUNTY SNOW GROOMER AREA 8B MAINTENANCE  
AND STORAGE BUILDING

**WHEREAS**, Boise County entered into a DEVELOPMENT AND OPERATING AGREEMENT (hereafter referred to as the Agreement) with the Idaho Department of Parks and Recreation in October 1992 for the operation, maintenance, and storage of a State of Idaho Over Snow Vehicle and associated grooming implements in State Designated Area #8b; and

**WHEREAS**, in the Agreement, Boise County agreed to provide or arrange for inside storage for the Over Snow Vehicle to prevent vandalism and deterioration, during times other than the grooming season; and

**WHEREAS**, inside storage of the Over Snow Vehicle would greatly facilitate repair and maintenance of the Over Snow Vehicle and grooming implements; and

**WHEREAS**, the Garden Valley Snowmobile Club has provided labor and additional funding as necessary for trail signs, operation, and maintenance of the Over Snow Vehicle and grooming implements;

**NOW, THEREFORE, BE IT RESOLVED** that, contingent upon the receipt of grant funding from the Idaho Department of Parks and Recreation, Boise County will provide a site for the construction, by the Garden Valley Snowmobile Club, of a building for inside storage and maintenance of the State provided Over Snow Vehicle and grooming implements.

**BE IT FURTHER RESOLVED** that said site will be at the Garden Valley Solid Waste Collection Site in Garden Valley, ID.

**BE IT FINALLY RESOLVED** that upon completion of construction Boise County will assume ownership of the building, maintain access to and exclusive use of the building for the sole purpose of inside storage of the State Designated Area #8b Over Snow Vehicle and associated grooming implements, parts, and tools.

**ADOPTED** as a Resolution at the regular meeting of Boise County on the 30th day of December, 1996, upon a motion made by Commissioner Dyer, seconded by Commissioner
