

2023 Pesticide Disposal Dates

Idaho State Department of Agriculture

ISDA Pesticide Disposal Program

Homeowners, farmers, dealers and professional applicators storing unusable or unwanted pesticides will have a **safe and free** opportunity to dispose of them at an ISDA pesticide disposal site.

ISDA pesticide disposal sites will take most pesticides including herbicides, insecticides, fungicides, rodenticides or anything ending with “cide.” No fertilizer, micronutrients, paint, solvents, motor oil or rinsates other than seed treat rinsates will be accepted. Loads exceeding 1,000 pounds must be pre-registered.

To pre-register and for more information, please call (208) 332-8628 or visit: agri.idaho.gov/main/pesticides/#Pesticide-Disposal-Program.
