

BOISE COUNTY SOLID WASTE  
**DISPOSAL OF VEHICLE  
FLUIDS**

**Boise County Transfer Stations Do Not Accept  
Flammable Liquids**

**(Gasoline, Paint Thinner, Solvents)**

Boise County Transfer Stations accept used motor oil and fluids from vehicles and equipment. Limited to 5 gallon containers. Please use original containers for disposal if possible.

**This includes:**

**Engine Oil**

**Hydraulic Oil**

**Brake Fluid**

**Gear Oil**

**Anti-freeze**

**2 Cycle Oil**

The petroleum oil base products generated by households and individuals are collected and used as fuel to heat the Boise County Road and Bridge Department Shops. An exemption in the Waste Oil regulations allows Boise County to burn the oil generated by Do It Yourselfers (DIY) and maintenance on our own vehicles and equipment. We do not accept used oil from commercial sources. Please keep your oil clean and do not mix with antifreeze or water. Oil contaminated with water or anti-freeze may be rejected. Anti-freeze is collected and recycled separately.

If you have questions please contact the  
Boise County Solid Waste Office
