AGRICULTURAL USE STATEMENT¹

I/we, _____, hereby state that my/our real property, as described in Instrument No. _____ (attached property description) in Section _____, Township _____, Range _____, is currently and solely being used for agricultural purposes and will maintained as agricultural land. There are no existing dwelling units on the newly created agricultural parcel(s). I understand that the definition of an “agricultural use” in Boise County is defined as farming, dairying, pasturage, cultivation, tillage, horticulture, floriculture, silviculture, viticulture, vermiculture, animal poultry, and fish husbandry as the principal land use and the necessary accessory uses of packing, treating, or storing the produce. Agricultural uses do not include commercial riding stables, racetracks, slaughterhouses, factories, works for reduction of the animal matter or commercial poultry, kennels or feed lots. Incidental retailing of goods on the premises of goods and products raised on the premises is considered as being within the definition of agriculture.

By signing this statement I understand that no building permits for any structure other than an agricultural building will be granted on the property (unless and until the property changes zoning or is approved through the subdivision process). I also understand that if my property is divided under the auspices of “bona fide agricultural land²” and is claiming exemption from the Amended Boise County Land Use Ordinance, new recorded descriptions are still required to be created for the new agricultural parcels.
